MANAGEMENT INFORMATION CIRCULAR

As at September 26, 2024
(except as otherwise indicated)

SECTION 1 - INTRODUCTION

This management information circular (the “**Information Circular**”) accompanies the notice of annual general and special meeting (the “**Notice**”) and is furnished to shareholders (the “**Shareholders**”) holding common shares without par value (the “**Shares**”) in the capital of **Nations Royalty Corp.** (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the Shareholders to be held at **10:00 a.m. (Pacific Time), on Thursday, November 14, 2024, at Suite 3123 – 595 Burrard Street, Vancouver, British Columbia, V7X 1J1, Canada**, or at any adjournment thereof.

SECTION 2 – PROXIES AND VOTING RIGHTS

MANAGEMENT SOLICITATION

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals’ authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out-of-pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

You may opt to receive important shareholder information electronically, including the Meeting by visiting <https://odysseytrust.com/ca-en/help/>.

APPOINTMENT OF PROXY

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of September 26, 2024 (the “**Record Date**”), on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Management Nominees**”) in the enclosed form of proxy are directors and/or officers or consultants of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR CORPORATION (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT

THE MEETING, OTHER THAN THE MANAGEMENT NOMINEES NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THIS RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. A proxy will not be valid unless it is deposited with the Corporation's registrar and transfer agent, Odyssey Trust Company ("Odyssey").

- **To Vote Your Proxy Online Please Visit:** <https://Vote.Odysseytrust.Com> and click on login. You will require the control number printed with your address to the right on your proxy form. If you vote by internet, do not mail this proxy;
- **By Mail Or Personal Delivery** to Odyssey Trust Company, Attn: Proxy Department, Suite 702, 67 Yonge St., Toronto, Ontario M5E 1J8; or
- **By Fax** to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (Toll Free within Canada and the U.S.) or 416-263-9524 (International).

Proxies must be received not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or adjournment or postponement thereof.

The Proxy must be signed and dated by the registered Shareholder or by his attorney in writing, or, if the registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

REVOCATION OF PROXIES

A registered Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the registered Shareholder or by his attorney authorized in writing, or, if the registered Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with the Corporation's registrar and transfer agent, **Odyssey Trust Company, Suite 702, 67 Yonge St., Toronto, Ontario, M5E 1J8**, at any time up to and including 48 hours preceding the Meeting, or any adjournment or postponement of it, at which the Proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND PROXIES AND EXERCISE OF DISCRETION BY MANAGEMENT NOMINEES

A Shareholder may indicate the manner in which the Management Nominees are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Shares represented will be voted or withheld from the vote on that matter accordingly. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE MANAGEMENT NOMINEES NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE MANAGEMENT NOMINEES WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares of the Corporation (the “Common Shares”) in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). The Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the Common Shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such Common Shares are voted.**

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

The Corporation will not pay for an intermediary to deliver proxy related materials and voting instruction forms to objecting beneficial owners (called “**OBOs**” for “**Objecting Beneficial Owners**”). OBOs have objected to their intermediary disclosing ownership information about themselves to the Corporation. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Company is sending these Meeting Materials directly to registered Shareholders and non-objecting beneficial owners (“NOBOs”). If you are a NOBO, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding shares on your behalf.

NOTICE-AND-ACCESS

The Company is not relying on the “Notice and Access” delivery procedures outlined in National Instrument 54-101 - Communication with Beneficial Owners of Securities of a Reporting Issuer (“**NI 54- 101**”) to distribute copies of proxy-related materials in connection with the Meeting. However, the Company is electronically delivering proxy-related materials to Shareholders who have requested such delivery method and encourages Shareholders to sign up for

electronic delivery (“e-Delivery”) of all future proxy materials. The proxy materials for the Meeting can be found on the System for Electronic Document Analysis and Retrieval (“SEDAR+”) at www.sedarplus.ca under the Company’s profile.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada, and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by shareholders of civil liabilities under United States federal securities laws may be adversely affected by the fact that (i) the Company is incorporated under the *Canada Business Corporations Act* (CBCA), as amended; (ii) certain of its directors and its executive officers are residents of Canada; and (iii) a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may face challenges in suing the Company or its officers or directors in a foreign court for violations of United States federal securities laws. It may also be difficult to compel the Company, its officers, or its directors to submit to a judgment by a United States court.

SECTION 3 - VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

VOTING OF COMMON SHARES

The Company is authorized to issue (i) an unlimited number of common shares without par value and without special rights or restrictions attached and (ii) an unlimited number of preferred shares without par value, as issuable with such special rights and restrictions as may be determined by the board of directors of the Company (the “Board”). As at the record date, determined by the Board to be the close of business on the Record Date, a total of 144,730,637 Shares were issued and outstanding and no preferred shares were issued and outstanding.

Only registered Shareholders as at the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement thereof. No group of Shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the common shares. Each Shareholder is entitled to one vote for each common share registered in his or her name.

PRINCIPAL HOLDERS OF COMMON SHARES

To the knowledge of the directors and executive officers of the Company, the following holders beneficially own or control or direct, directly or indirectly, voting securities carrying more than 10% of the voting rights as at the Record Date.

Shareholder Name	Number of Shares Held ⁽¹⁾	Percentage of Issued Shares

Note(s):

(1) Data from disclosure found on the System for Electronic Disclosure by Insiders (SEDI)

QUORUM

SECTION 4 – BUSINESS OF THE MEETING

MANAGEMENT OF THE COMPANY KNOWS OF NO OTHER MATTERS TO COME BEFORE THE MEETING OTHER THAN THOSE REFERRED TO IN THE NOTICE OF MEETING. HOWEVER, IF ANY OTHER MATTERS THAT ARE NOT KNOWN TO MANAGEMENT SHOULD PROPERLY COME BEFORE THE MEETING, THE ACCOMPANYING FORM OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE ON SUCH MATTERS IN ACCORDANCE WITH THEIR BEST JUDGEMENT.

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

Request for Financial Statements

National Instrument 51-102 *Continuous Disclosure Obligations* sets out the procedures for a Shareholder to receive financial statements. If you wish to receive financial statements, you may use the enclosed form or provide instructions in any other written format. Registered Shareholders must also provide written instructions in order to receive the Financial Statements.

2. FIXING THE NUMBER OF DIRECTORS

The directors of the Company are elected at each annual meeting and hold office until the next annual meeting, or until their successors are duly elected or appointed in accordance with the Company's By-laws or until such director's earlier death, resignation or removal.

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at six (6). The number of directors will be approved if the majority of Shares present or represented by proxy at the Meeting and entitled to vote are voted in favour of fixing the number of directors at six (6).

Management recommends Shareholders vote in favour of the resolution fixing the number of directors at six (6). OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NEO COMPENSATION

The Board has not conducted a formal evaluation of the implications of the risks associated with the Company's compensation policies. Risk management is a consideration of the Board when implementing its compensation policies and the Board does not believe that the Company's compensation policies result in unnecessary or inappropriate risk-taking including risks that are likely to have a material adverse effect on the Company.

Director Compensation

The Company's Corporate Governance Committee is responsible for recommending to the Board all forms of compensation to be granted to the Company's directors. The Board determines and reviews director compensation, considering factors such as the expected scope and volume of duties, prior performance, comparisons to compensation at similar companies, and the availability of the Company's financial resources. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, and the availability of financial and other resources of the Corporation.

For the financial years ending May 31, 2024 and May 31, 2023, only Alex Morrison received director fees. No other directors were compensated for their roles as directors during these periods. However, effective June 18, 2024, all independent directors began receiving fees of \$2,500 per month, paid quarterly, for their service as directors, prorated from their date of appointment. Compensation is provided only to non-executive directors. Participation on committees is compensated with an additional \$2,500 per year, while committee chairs receive an additional \$7,500 per year. The lead director will be paid an additional \$10,000 per year.

Alex Morrison earned a fee of \$2,708 per month from January 1, 2024 to May 31, 2024, paid quarterly for his services as a director of the Company and member of the Audit Committee.

The Company also grants its directors incentive stock options. See above section "*Stock Option Plan and Other Incentive Securities*". The quantity and quality of Board compensation is reviewed on an annual basis. At present, the Board is

satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent directors with significant input into compensation decisions. Given the current size and limited scope of operations of the Company, the Board does not believe that a formal compensation committee is required. At such time and in the opinion of the Board, should the size and activities of the Company and the number of management employees warrant the formation of a formal compensation committee, one shall be appointed at such time.

At present, the Board is satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company.

Named Executive Officers Compensation

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

The Company's executive officer compensation program consisted of the following elements:

- base salary;
- annual performance-based cash incentives;
- equity compensation consisting of Stock Options; and
- Other benefits

The Board reviews on an annual basis the cash compensation, performance and overall compensation package of each active NEO. The Company believes that the bonus and Option components of compensation serve to further align the interests of management with the interests of the Shareholders. The specific rationale and design of each of these elements are outlined in detail below:

Base Salary

During the years ended May 31, 2024 and May 31, 2023, the Board approved the salary ranges for the active NEOs. Base salaries were set with the goal of being competitive with corporations of a comparable size and at the same stage of development, thereby enabling the Company to compete for and retain executives critical to the Company's long-term success. In determining the base salary of an executive officer, the Board places equal weight on the following criteria:

- the particular responsibilities related to the position;
- salaries paid by comparable businesses;
- experience level of the executive officer; and
- overall performance or expected performance (in the case of a newly hired executive officer).

The Board assessed these criteria, and using this information together with budgetary guidelines and other internally generated planning and forecasting tools, and performed an annual assessment of the compensation of all executive officer and employee compensation levels. To date, comparative data for the Company's peer group has been accumulated internally, without the use of any external independent consultants or compensation specialists.

For employees of the Company, management is responsible for preparing an individual evaluation process for each employee and then conducting reviews on an annual basis. The evaluation framework is objective where a number of factors are judged for each employee. The results of said reviews and management recommendations with respect to compensation levels are then submitted to the Board for consideration.

Short-Term Incentive Program (Cash Bonuses)

The Company has established a Short-Term Incentive Program (“STIPS”) for its NEOs. This annual incentive program is based on the collective performance of the NEOs against corporate objectives approved by the Board. Bonuses are awarded in full following approval by the Board, based on recommendations from the Compensation Committee, which currently operates under the Corporate Governance Committee.

While target annual incentive compensation for NEOs is set at specific percentages of their base salaries, the Board retains full discretion in evaluating performance. Individual achievements may also be considered where appropriate. It is important to note that annual incentive compensation is not guaranteed; the Board has the exclusive authority to determine performance outcomes and may choose not to award bonuses to any NEO.

The Board approves annual incentives based on its assessment of each active NEO’s performance and contributions to the Company’s success, taking into account both financial and operational performance metrics.

For the years ending May 31, 2024 and May 31, 2023, no cash bonuses were granted.

Stock Option Awards

The Company’s Option Plan allows for the granting of stock options to directors, executive officers, key employees, consultants, and eligible charitable organizations, as defined by the Exchange, to align the interests of these individuals with those of the Company and its shareholders. Stock options are widely recognized as an effective tool for attracting, retaining, and motivating talent by providing an opportunity to acquire an equity stake in the Company.

The Board is responsible for establishing the ranges of option grants for each level of executive officer and identifying key employees eligible for stock options. Recommendations on the terms and conditions of these grants are made to the Board. Individual grants are determined based on an assessment of the individual’s current and anticipated performance, level of responsibility, and contribution to the Company. In granting new options, the Board also considers the existing number and terms of outstanding options held by the individual.

The total number of options that may be issued under the Option Plan, both overall and in any fiscal year, is subject to the limits set out in the plan and cannot be increased without shareholder approval. Details of the Company’s Option Plan are provided above under “*Stock Option Plans and Other Incentive Plans.*”

Other Benefits

The other benefits that are provided to the Company’s NEOs are limited to payments consisting of contributions to life insurance, short and long-term disability insurance, and health and medical insurance.

Other negotiable terms of compensation, such as payment on termination of employment and change of control, are reviewed and determined on an individual basis and are designed to be competitive overall with equivalent positions in comparable organizations. Details of such terms for the Company’s NEOs are set out under the heading “*Termination and Change of Control Benefits.*”

Use of Financial Instruments

The Company does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, management is not aware of any NEO or director purchasing such an instrument.

PENSION AND OTHER BENEFIT PLANS

The Company does not have any pension, retirement, defined benefit, defined contribution, or deferred compensation plans that provides for payments or benefits to its directors and NEOs at, following, or in connection with retirement and none are proposed at this time.

SECTION 7 – CORPORATE GOVERNANCE

GENERAL

Pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101"), the Company is required to disclose its corporate governance practices. Corporate governance relates to the policies, structure and activities of a board of directors of a corporation, the members of which are elected by and are accountable to the Shareholders of the corporation and takes into account the role of the individual members of management who are appointed by the board of directors and who are charged with the day-to-day management of the corporation.

National Policy 58-201 - *Corporate Governance Guidelines* ("NP 58-201") establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices.

Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making and believes the Company's corporate governance practices are appropriate and effective for the Company given its current size.

BOARD OF DIRECTORS

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia), is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly and through its committees.

The Board facilitates its exercise of independent supervision over management by ensuring that the Board is composed of a majority of directors independent of management. In determining whether a director is independent, the Board considers whether the director has a relationship which could, or could be perceived to, interfere with the director's ability to objectively assess the performance of management. The Board, at present, is composed of six directors, the majority of whom are considered "independent" as that term is defined in applicable securities legislation. Robert McLeod is not considered independent for the purposes of NI 58-101 – *Disclosure of Corporate Governance Practices* by reason of his position as Chief Executive Officer of the Company.

The Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

DIRECTORSHIPS IN OTHER REPORTING ISSUERS

Certain of the directors of the Company are also directors of other reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name of Director	Other Reporting Issuer (or the equivalent) ⁽¹⁾
Robert McLeod	Nexgold Mining Corp. Dolly Varden Silver Corporation
Alex Morrison	Energy Fuels Inc.
Saga Williams	Fury Gold Mines Limited Volta Metals Ltd. NiCan Limited

Note(s):

- (1) The information in the table above as to other directorships is not within the knowledge of management of the Company and has been furnished by the respective director(s).

ORIENTATION AND CONTINUING EDUCATION

The Board briefs all new directors with the policies of the Board, and other relevant corporate and business information.

ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the Shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

NOMINATION OF DIRECTORS

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the Shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER

The Board sets the level of compensation for directors. The Board reviews compensation for the directors and CEO as needed, taking into account time commitment, comparative fees, risks and responsibilities, to ensure that the amount of compensation adequately reflects the responsibilities and risks of being a director and makes adjustments as deemed necessary.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has an Audit Committee, a Corporate Governance Committee, and an Investment Committee.

ASSESSMENTS

The Board annually reviews its own performance and effectiveness as well as reviews the Audit Committee Charter and recommends revisions as necessary. Neither the Company nor the Board has adopted formal procedures to regularly assess the Board, the Audit Committee or the individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board. The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.
